SUBJECT: Letter of Clarification No. 3
Fire and Security Alarm System Maintenance, Inspections, Testing and Monitoring for Various Departments

REFERENCE: Request for Proposal (RFP) S33-T23910

TO: All Prospective Respondents

This Letter of Clarification is issued for the following reasons:

1. To add the following sections to Section 3.0, page 15:
 - 3.1.3 On-site personnel of Contractor, including subcontractors who perform services at any HPD facility under this Agreement are required to undergo a fingerprint-based criminal history records check. Fingerprints are collected at HPD headquarters located at 1200 Travis. Contractor is responsible for the cost of badges, including replacements thereof. Personnel losing badges will be charged for replacement badges at the then-current rate.
 - 3.1.4 Contractor shall obtain City contractor badges for its personnel performing services on-site, including its subcontractors' personnel. On-site personnel shall wear identification badges at all times while on any GSD property. Badges can be obtained thru GSD security located at 611 Walker annex.
2. To add the following section and language to Section 4.2.5.7, page 24 :
 - 4.2.5.7.1 Inspection must occur every three months.
3. Extend the due date from 2:00 p.m., Friday, June 10, 2011 to 2:00 p.m., Friday, June 24, 2011.
4. Extend the deadline for questions to 1:00 p.m., Friday, June 10, 2011
5. Remove the following language from Section 10.1, page 36
 - 10.1 All personnel labor rates used by contractor will be industry prevailing rates.
6. To replace Exhibit XII, – Locations/Inventory For Various Departments: Alarm System Locations, Elevator Monitoring Site and Refrigeration Monitoring Sites with the following:

Partnering to better serve Houston

Council Members: Brenda Stardig Jarvis Johnson Anne Clutterbuck Wanda Adams Mike Sullivan Al Hoang Oliver

7. To provide a response to vendor questions as follows:

ID #	Question	Department Response	
1.	Can you please clarify how many cylinders, the size of the cylinders, and how much detection is on each gas system listed on the RFP for IAH and HOU?	<p>IAH 16 tanks T/A MDF HFC-227EA weight 679 lb</p> <p>HFC-227 EA weight 679 lb</p> <p>T/A NORTH APM SAPPHIRE NOVEC 1230 weight 248 lb</p> <p>T/B MDF SAPPHIRE NOVEC 1230 weight 459 lb</p> <p>T/C MDF HFC-227 EA weight 460 lb</p> <p>HFC-227 EA weight 460 lb</p> <p>T/C GEAR ROOM HFC-227EA weight 814 lb HFC-227EA weight 978 lb</p>	<p>FIS MDF HFC-227EA weight 490 lb</p> <p>HFC-227EA weight 650 lb</p> <p>FIS CBP level 1 HFC-227EA weight 136 lb</p> <p>FIS CBP level 2 HFC-227EA weight 53 lb</p> <p>ADMIN BLDG MDF HFC-227EA weight 575 lb</p> <p>T/D MDF SAPPHIRE NOVEC 1230 weight 1049.70 lb</p> <p>ASPPHIRE NOVEC 1230 weight 276 lb</p> <p>T/D UPS ROOM HFC-227EA weight 78 lb</p> <p>T/D SITA ROOM HFC-227EA weight 265 lb</p>
2.	The project needs 3 performance bonds. One for the city buildings and one for the airports. What is the 3 rd bond for? Also, what amount is required for the 3 rd bond?	Section 15.5 - Airport Customs Security Area Bond. To determine the number of employees required to perform the services and the bond amount, refer to Exhibit XII No. 15. No badging bond required. Section 15 covers badging and security.	
3.	Section 10.1 – What are the industry prevailing rates that are required by the contractor?	Section 10.1, page 36 has been removed	
4.	Exhibit XI- minimum inventory Are the quantities listed for technician truck stock or at company warehouse?	The quantities listed will need to be onsite at the airport mainly (IAH); some stock could be kept at (HOU).	
5.	Is the intent of the package for Part 1 to have the vendor provide inspections for all buildings listed and keep the up to date on all inspections, or provide inspections as requested by COH per building?	Annual Inspections, unless otherwise dictated by fire and building codes.	
6.	Page 14, Scope of Services. Throughout this RFP, NFPA 72 is mentioned, What year will be the standard?	The most current year.	
7.	Page 18, Scope of Work – Section 3.8.4.3 Will the Contractor be performing the weekly/monthly inspections and keeping the logs/records? Or just track the City's personnel's performance.	Inspections are on an annual basis. The contractor is required to perform service inspection on any call out in between the annual inspections. The contractor is responsible for maintaining a log of all events and actions taken by the contractor.	
8.	Page 18 – 20, Scope of Work – Section 3.8.5 through Section 3.8.12 To provide pricing for these “special” 3 year and 5 year testing requirements up front, counts for all these types of devices/systems need to be known. Will Contractor be provided with this information?	The contract requires all “special” devices/systems to be inspected as specified in the contract. It is in the contractor's best interest to identify all components involved. The COH will provide what information it has, but the contractor should not consider it to be complete.	

ID #	Question	Department Response
9.	<p>Page 21, Scope of Work – Section 3.8.17 Elevator Recall</p> <p>Will Contractor be required to perform the Monthly and Quarterly tests and keep the logs/records? Or just track the City's personnel's performance.</p>	Inspections are on an annual basis. The contractor is required to perform service inspection on any call out in between the annual inspections. The contractor is responsible for maintaining a log of all events and actions taken by the contractor
10.	<p>Page 25, Scope of Work – Section 4.2.9 Verified Response</p> <p>Will the City release the name of the current provider for this service, and if the City is satisfied with their services, would Contractor be able to extend the opportunity to continue with the same provider?</p>	<p>The name of the current vendor and contract details can be obtain by accessing the following website and doing a key word search for 4600008962.</p> <p>http://purchasing.houstontx.gov/catalog/</p>
11.	<p>Page 26, Scope of Work – Section 4.2.10 Annual Inspections</p> <p>To what standard, state, or local regulation/ordinances specifically will the Contractor be held too?</p>	State of Texas Fire Marshalls Office, The City of Houston's Fire Marshall's Office, and the most current NFPA codes and standards.
12.	<p>Page 64 Fee Schedule</p> <p>I would like to clarify the statement on Page 68; the NOTE that Offeror's can customize their price sheet to reflect the price of their proposal. Is that correct?</p>	Yes, as long as it is user friendly and address each item as shown in the sample.
13.	It was discussed at the pre-bid meeting that unit pricing for the A-1 fee schedule will be provided for inspections. Can you please confirm that unit pricing for the inspections is the intent of the solicitation and unit pricing the inspection per device is acceptable and further clarify and other requirement for pricing for this portion of work?	Pricing should be based on a monthly cost for each location that includes all services as specified in the contract. Call out/repairs between inspections should be covered in the monthly cost. The repair needs identified at the time of an inspection would be an additional cost agreed upon by the contractor and the COH. The contractor should itemize the devices and equipment on their invoicing.
14.	During the pre-bid meeting, the vendors were informed that the section 4.0 Intrusion Alarms systems section was to be removed from this project. Can you please clarify all section in the bid package that will be removed or changed pertaining to this?	Please reference the attached revised Location/Inventory document for Fire, Intrusion, Elevator and Refrigeration Sites.
15.	Is POP required for all employees on all work under this solicitation?	Yes
16.	Is prevailing wage to be paid for this work? This is referenced on page 36, section 10.1	Section 10.1, page 36 has been removed.
17.	Is this contact going to be awarded separately for Part 1 and Part 2, or awarded as one vendor for both parts?	One vendor, both parts
18.	Is one bond to be provided or separate bonds for Part 1 and Part 2 if awarded to one vendor?	Bonds are required for Part 1, 2 not for Badging
19.	The HAS portion of the solicitation of the work calls for the Basic Services work for onsite personnel to support all of the Notifier Equipment and ONYX Workstations. Are all bidding contractors for this work required to submit a letter of Manufacturer Representation from Notifier stating they are authorized distributors?	Yes. Must be able to buy and do warranty repairs for Notifier.
20.	Are bidding contractors required to employee Notifier trained personnel to perform this work onsite for the HAS portion of the work?	Yes
21.	Is a separate bond required with Customs for HAS badging?	Not at this time
22.	Will the Contractor will be responsible for maintenance, repairs, verified response, and/or monitoring any intrusion/security systems for the airport?	No

ID #	Question	Department Response
23.	<p>Page 65, Fee Schedule Item 2</p> <p>To provide pricing for these "special" 3 year and 5 year testing requirements up front, counts for all these types of devices/systems need to be known. Will Contractor be provided with this information? I have attached the definition of everything that is required for 5 year testing of a sprinkler system and what information is needed in order to provide appropriate pricing</p>	Equipment list should provide enough information for inspection fees per location. Each location frequency is based on code requirements.
